MEMBER INFORMATION MEETING

We will be holding a member information meeting in conjunction with City Tatts on Wednesday 2 June 2021 commencing at 6.30pm in Barracks Club.

The meeting will allow members to meet the Club's Board and the Management of City Tatts to discuss the amalgamation proposal.

Members will have a chance to ask questions on how the amalgamation will affect you as a member and our staff. We encourage members to attend this meeting and find out the facts about the amalgamation.

POSTAL VOTE – AMALGAMATION

Following the Member Information Meeting a Postal Vote will be conducted on the resolution to amalgamate with City Tattersalls Club. The vote will require at least 75% of votes received in favour of the resolution to in order for it to pass.

Please note that at this stage the Club's Board unanimously recommends that members vote in favour of the resolution to amalgamate with the City Tattersalls Club.

In the event the resolution is not passed the Board will need to consider options in relation to whether the Club can continue to trade. One option is that the Club will be placed back into administration ahead of it being formally wound up.

City Tattersalls Club will also need to conduct a vote of its members to agree to the Amalgamation.
